APRIL 24, 2011

8:30 *at* 10:30AM

 Professional Interpreter for the Deaf | 10:30am service

 Spanish Interpretation | 8:30 & 10:30am service

Come be our guest for an inspiring message from Pastor Dudley Rutherford. Also enjoy a cup of coffee and visit with folks from your community before the service.

Location

Easter this year will be on the Northwest corner of Porter Ranch Drive and Rinaldi Street, set in an open meadow provided by Porter Ranch Development Company and under a 50,000 square foot tent structure.

Children

Just as in years past, Shepherd's children's programs will be inside the main sanctuary. Shepherd provides a place for kids to have a great time with exciting programs that have been planned specifically for infants – 5th grade. All of our programs are staffed by trained and pre-screened workers.

Parking

Parking on the Shepherd lot is available for parents with children only. There will be ample parking at the Porter Ranch Town Center and Providence Holy Cross Medical Center. Shuttles will begin running at 6:30am and continue throughout the event.

Equestrians

This year you can ride your horse to church. We'll have a horse staging area with tie ups and water for your convenience. There will be trained teams to host your horses. Both Ride with Pride and Special Spirit Therapeutic will be volunteering as hosts at both services.
